16th Sunday in Ordinary Time

“If you pull up the weeds you might uproot the wheat along with them.”

Matthew 13:29

This weekend we will recognize our eighth-grade graduates at the Sunday 11 AM Mass. The eighth-grade students has a virtual graduation, which is not entirely the same. Please join me in congratulating them on finishing junior high school. These students and their families are invited after Mass for a simple reception in the parish hall. We will be observing precautions to limit your physical contact as tables are separate and as refreshments are served from our service window.

Please join us online for the ordination of Bishop -Elect Louis Tylka on Thursday at 2 PM. While it is not possible to invite you to attend in person, the ordination will be live streamed on the Diocesan website: cdop.org.

I know many people have different perspectives regarding Corona. I have heard from those who prefer greater precautions, and also from those who want us to return increasingly to our regular normal practice. St. Paul tried to be "all things to all people" (1 Cor 9:22). To this end, we are able to provide greater precautions for those who prefer them and a more relaxed approach for those who are less concerned.

Masks are encouraged when at St. Thomas, but we also follow the guidance of the CDC that does not require them if distancing can be maintained. The pews help us maintain this distance, which is useful. Hand sanitizer is available when you enter the church, and we encourage you to use it. The church is disinfected between individual services for your protection.

The area in the narthex and Chapel are reserved only for those who are wearing masks, and Communion will be brought to you to allow you to minimize all contact with other people. The sound system broadcasts in the narthex, so it is possible to fully participate while keeping extra distance. Since we continue to be dispensed from the obligation to attend Mass, those who are most concerned can still watch Mass on our parish YouTube channel and come to receive Communion on Sunday afternoons from 12:00 to 12:30 PM.

I pray that we can continue to accommodate everyone's individual circumstances as we work toward our full return of parish activities.

-Msgr. Gray

Never permit me to be separated from You. Amen.

Theological Virtues

Theological virtues are associated with Christian theology and are the result of God's grace. While the cardinal virtues are considered human virtues, the theological virtues have God as their object. These virtues are infused in us by God alone and help us to be directed to God. We know the theological virtues by Divine revelation, as they have been taught to us by Jesus and in the Sacred Scriptures.

Both the theological and cardinal virtues are traits or qualities that dispose one to live in a morally good manner. We grow in these virtues by practicing them and developing them as a habit.

The theological virtues for the foundation of all Christian moral activity. We are animated by the theological virtues and, by practicing them, are formed to be children of God meriting eternal life.

Virtue of Faith

Faith is the virtue that is connected to belief in God. Faith helps us to believe in God and to believe all that he has said and revealed to us. Faith also leads us to believe all that the Church proposes for belief, since the Church is the Body of Christ that continues to teach and live the Gospel of Christ in the world today. Faith

allows us to know the truth, to accept it in our heart, and to live it with courage.

We can grow in Faith by developing this habit, but we can also lose our Faith by engaging in sin. When we do not put Faith into practice, then it is said that Faith apart from works is dead. However, when we practice our Faith, we are formed into disciples who are increasingly ready to take up our crosses and to boldly following after Jesus.

Faith is an infused virtue by which the intellect perceives that which is true, especially that which cannot be proven by human reason alone. The truth is accepted as an act of the will because of the infallible authority of God who reveals it. Yet, Faith is not blind, since we continually strive to know, to understand and to expound these revealed truths using our power of reason. We grow in Faith through the illumination of the Holy Spirit.

The virtue of Faith is depicted by the cross which represents the revelation of Jesus Christ. The cross is a sign of contradiction that is a stumbling block to the Jews and an absurdity to the Gentiles, but for the Christian it is the power and wisdom of God revealed (cf. 1 Cor 1:23-24).

Virtue of Hope

Hope is the virtue by which we desire the Kingdom of Heaven and eternal life, placing our trust in Christ's promise. Hope leads us to trust also in the grace of the Holy Spirit. Hope responds to our desire for happiness which God has placed into our hearts. This Hope inspires us to purify ourselves in order to prepare ourselves for the Kingdom. Therefore, Hope keeps us from discouragement and frustration, sustains us in times of trial, and keeps us looking forward with confidence to the promise of redemption.

Abraham demonstrated Hope when he was put to the test in the sacrifice of Isaac, since he trusted in God's promise. The Christian demonstrates Hope by observing the beatitudes that raise our minds from the present circumstances to the promises that are to come. Hope comes to our aid during trials, since we are inspired by the merits of Jesus Christ who endured his Passion and who overcame every obstacle in the Resurrection from the dead.

Hope leads to joy, even in the midst of suffering. Hope assists us to persevere faithfully to the end to obtain an eternal reward for the good works accomplished with God's grace. Hope is the opposite of despair.

Hope is depicted by the anchor, since it is the sure and steadfast anchor of the soul. When put to the test, the anchor roots us to our firm foundation which is Jesus Christ.

Ordination of Bishop-Elect Louis Tylka

Bishop Elect Louis Tylka will be ordained as the Coadjutor Bishop of Peoria on Thursday, July 23, at 2:00 PM in the Cathedral of the Immaculate Conception in Peoria.

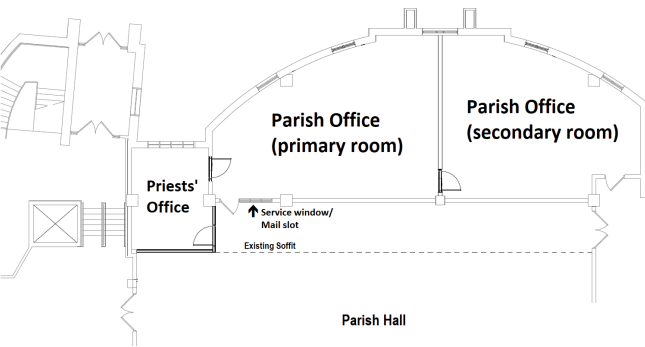

Tickets will be limited because of current restrictions. Everyone is invited to view the ordination as it is streamed online, at the Diocesan website: cdop.org.

Small Changes in the Parish Office

So we can better serve the Parish

We moved the parish office to the basement of the church a year ago in order to better separate the school and school classrooms from the church and parish offices. This move allowed us to implement greater security measures in the school for the protection of the students. At the time, we had thought to divide up the two large rooms in the parish office into smaller rooms for the individual parish staff members.

Now that we've worked with this space for some time, it does not seem necessary to subdivide the rooms. However, there is still a problem, since the second room is a combination meeting space and pastor's office which does not provide for confidentiality when necessary.

This summer, we will make a few modifications to finish off the parish office by connecting the two main rooms and providing a separate place for the clergy to meet privately with individual persons. In this way, we will have space for privacy, office space for staff, and meeting space necessary for the work of the parish office. We will also insert a service window and mail drop to make it easier for parishioners who need to pick up or leave items with the parish office.

This work will be minimal and should be done over the course of the summer.

Our Families

We pray that today's families may be accompanied with love, respect and guidance.

Food Pantry

Current needs are: rice, jelly, syrup, and meal helper.

All student positions are filled! Thank you!

Take Note

Next weekend (July 25-26) is the last weekend that Deacon Austin Bosse is with us. We look forward to wishing him well as he returns for his final year of seminary before priestly ordination next spring.

The Men's Club Fish Fry has been moved to Saturday evening, August 15. To provide for more distancing, food will be served outside after the Saturday evening Mass. Look for advance ticket sales in the coming weeks!

Please Help!

It's time to start thinking about backpacks for school children in need! The COVID-19 pandemic has left many parents struggling, so we expect more need than ever before!

This year, we are putting together backpacks for grades K-8, and to make things easy and safe for everyone, we are asking only for monetary donations. This keeps everyone out of the stores and away from the virus. It also allows our committee to purchase supplies in bulk, making your donations go even further.

If you can help, please put your donation in an envelope marked BACKPACKS and place it in the collection plate during Mass, or drop it off at the parish office.

If you already have backpacks and/or school supplies that you would like to donate, we will still gladly accept them. Please put supplies in the designated boxes in the narthex.

Thank you!

Sanctuary Timeline

By mid-July, the decoration work will be complete in the sanctuary. This includes the marble flooring, the painting of the walls and ceiling, the placement of the virtues, and the stencil artwork above the altar and on the back wall.

In August, the marble will be brought in for the reredos and the baldacchino. This will provide the space for the four niches on either side of the Tabernacle, and the ornamentation around the Tabernacle itself.

In October, we will see the installation of the mosaics being designed for the individual niches in the sanctuary. Before the mosaics arrive, we will use temporary renderings that are printed and installed to give a sense of the finished project. However, we will look forward to the final installation of the real mosaics which will be the conclusion of this phase of the work.
