PENTECOST

Pentecost Sunday

Reading I	Acts of the Apostles	2:1-11
Reading II	1 Corinthians	12:3b-7, 12-13
Gospel	John	20:19-23

The Holy Spirit is our breath. God breathes new life into us by sending us the Holy Spirit. We are created anew and together with God we work to renew the face of the earth. The gift of the Holy Spirit manifests itself on the day of Pentecost. In Acts, the Holy Spirit transforms a frightened group of disciples into brave and powerful preachers who make bold proclamations about the marvels God has accomplished. In his letter to the Corinthians, Paul reminds us that it is this same Holy Spirit which we receive in baptism. We are made into new creations, united with other Christians in our proclamation, "Jesus is Lord." This same Spirit which unites us provides us with gifts to be used for the common good. Fired with hope, purpose and new identity, the Holy Spirit sends us on our mission to work with God to renew the face of the earth.

Boy Scout Troop 28 announces our newest Eagle Scouts—**Daniel Schmidt**
Thomas Stone
Trey Temple

Daniel's project was to build a 175 foot boardwalk around the west end of David Lake at the Peoria Park District's Camp Wokanda. Thomas held a blood and bone marrow recruitment drive here at St. Thomas. Trey led a group in repairing a badly eroded trail at Camp Wokanda. Congratulations to these young men and their families.

Looking for Past Eagle Scouts from St. Thomas

Boy Scout Troop 28 is creating a plaque to honor all of the scouts who received their Eagle Rank from the Troop associated with St. Thomas Parish. Currently, we have records for 68 Eagle Scouts from St. Thomas. Troop records from the early years are missing and the early W.D. Boyce Council records are not sorted by Troop number or organization. If you know of any Eagle Scouts from the 1950s through the 1980s, please contact us at troop28.bsa@gmail.com. Please include the Eagle Scout's full name and approximate year he achieved the rank so we can narrow the search for the National Eagle Scout office to confirm the information. You can also contact Tom Stone, Asst. Scoutmaster, 431-0759 (evenings only). The names we have so far can be viewed by going to our website, <http://www.troop28bsa.org/about/eagles>.

YOU CAN HELP OUR SCHOOL

Several years ago all schools lost a program that helped fund the purchase of new textbooks. The impact of that loss on St Thomas School was certainly felt, as we received close to \$15,000 annually to help make those purchases. Ever since that loss was felt we have had lobbyists, such as the Catholic Conference of Illinois working to bring it back. There is a grassroots effort taking place currently to allow our voices to be heard on this matter and house bill 2321 was just introduced in the Illinois General Assembly. Please consider taking a few minutes and use the pre-written letter to send to your state senator or representative.

"I urge you to help restore funding for the Textbook Block Grant Program in the Fiscal Year 2014 proposed budget.

Beginning in 1975, the purpose of the program is to provide secular textbooks and instructional computer software to public and nonpublic students grades K-12. Students cannot learn or succeed without effective and up-to-date learning materials, and for over thirty years, this program has helped ensure accurate and up-to-date textbooks and other instructional materials are present in ALL schools. In Fiscal Year 2009, the program provided 849,214 instructional items to pupils in grades 7 through 12. There may not be any grant programs in the budget of the State Board of Education that have had as far-reaching an impact for as long a time. Providing good textbooks and instructional materials to children is a fundamental responsibility of the state, and this is the only state program that requires all its resources be spent on learning materials for students in classrooms. In Fiscal Year 2009, this program was funded at \$42.8 million. We understand it is unrealistic to expect that level of funding could be restored in one year, but we do recommend that the funding for the program be restored at some level. The Illinois State Senate included \$9.5 million for this program in its Fiscal Year 2012 budget. Additionally, there are current appropriations bills, House Bill 2321 introduced by Representative Kelly Burke and Senate Bill 2152 introduced by Bill Cunningham, that we ask you to co-sponsor and support. Considering the widespread service and importance of this program, we hope and urge you to include funding for this program in the Fiscal Year 2014 budget. Thank you."
