## From Our Pastor

Today we begin Catholic Schools' Week.

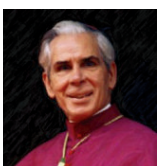

In particular, we can all be proud of the excellent job that our own St. Thomas School does in providing a Catholic education to our children. It is evident from our test scores, but also from the atmosphere in our school building and among our students that we have a great school that we can all be proud of.

This is true in no small part due to the generous support of our parish. So many of you support our school directly and provide valuable tuition assistance to our families that are in financial need. Many of you also support our school activities and fundraisers, including Comet Cash. Thank you for your support and your prayers.

We will begin a new round of Financial Peace University for those who would like to learn the skills to manage money more effectively. Sometimes it takes a crisis to realize where we make mistakes or poor decisions. Our experience with Corona may be an encouragement to take advantage of this opportunity to improve the financial management of our households. We will have a limited number of scholarships at a reduced price for those who are interested.

Let us be grateful for grace and favor we know in the Lord. We have all been through a difficult year and, with God's blessings, we appear to be returning more and more to normal. Let us not take our faith for granted or the blessings that we have in being a part of our St. Thomas Parish family.

-Msgr. Gray

*Criticism of others is thus an oblique form of self-commendation. We think we make the picture hang straight on our wall by telling our neighbors that all his pictures are crooked.*

Now accepting Preschool/Kindergarten and New Student Applications

Contact Cheryl Reese at [office@stthomas-school.net](mailto:office@stthomas-school.net) or visit our website <http://school.stthomaspeoria.org>

### Pre—K & Kindergarten

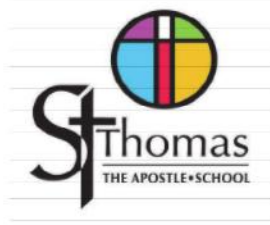

There is arguably no more important time in your child's education than the pre-k and kindergarten years. It's a special time for every child where they meet new friends, while developing academically and emotionally. At St. Thomas, we know just how special the early years of a child's education can be and we've created a nurturing and enriched environment designed to start your child off on the right educational path.

### Academics

Our students are well prepared to move on to the next grade level and we have the test scores to prove it. Our students in every grade consistently score well above the national averages on standardized tests. They perform well because of a combination of an enriched curriculum, outstanding teachers and personalized attention to student learning.

### Religion

Our Catholic faith is at the foundation of all that we do. Christian values are woven into daily school life, with religious instruction as a regular part of the curriculum and the ongoing development of your child's faith at the forefront of our teaching. We foster an environment where our child's faith comes to life.

We Teach Truth, Build Character and Inspire Service. Remember at our school everyone matters and counts.

### Activities

We know that learning happens in many ways and that skills developed outside of the classroom are just as important as those developed within. We offer a wealth of extracurricular activities to help your child reach his or her fullest potential. From robotics to basketball, students are able to develop their social, physical and mental skills through peer interaction.

### Community *Fun. Friendly. Nurturing.*

These are words students and families alike use to describe the atmosphere and spirit of St. Thomas School. Our sense of community is prevalent in everything we do, and is truly one of the distinguishing aspects of your child's learning environment.

## Respect Life

*Abortion and racism are both symptoms of a fundamental human error. The error is thinking that when someone stands in the way of our wants, we can justify getting that person out of our lives. Abortion and racism stem from the same poisonous root, selfishness.*
