Second Sunday in Ordinary Time

Ordinary Time
Week 2

From Our Pastor

It is good to be back from some time away. I enjoyed a much-needed break from all the activities leading up to Christmas. There is a great advantage to time spent on vacation or on retreat, since we gain perspective from a break in our regular day-to-day activities. I know the *That Man Is You* group is considering a trip to St. Louis for a men's retreat. I join them in recommending this time for spiritual renewal.

I am grateful to our parishioners who have helped to revive our Buildings and Grounds committee. The assistance of many volunteers has been very helpful to me in assessing the needs of our physical plant. There are several improvements that we are planning.

The blinds in the cry room have been around since the church was dedicated. They are heavy and the drawstrings are long and awkward. They are generally needed only when using the cry rooms as confessionals. However, since several of the drawstrings have broken, we will plan to replace these blinds with something easier to operate in the coming weeks.

Some of the exterior lights around the church are not working. As with most lighting projects, the plan will be to replace broken fixtures with more energy efficient options. I hope to see these improvements in the coming months.

There has been some rainwater leaking through the roof in the narthex. With some careful study, we have identified the source of this infiltration. We are working on bids to make this repair in the spring.

Finally and most significantly, we have been working with several companies to collect bids for our school windows. We have received many generous donations for the replacement of our inefficient single-pane windows in the school. We have not yet reached the total for matching the lead \$160,000 gift for these windows, so additional pledges are still encouraged. As we receive bids and fine-tune the expected cost, we will continue to appeal for your support to accomplish this project.

— Msgr. Gray

Pray with the Pope

January 2022
For true human fraternity

We pray for all those suffering from religious discrimination and persecution; may their own rights and dignity be recognized, which originate from being brothers and sisters in the human family.

The St. Thomas Food Pantry would like to extend a most sincere thanks to the St. Thomas parishioners for unfailing support over the past year. We thank the St. Thomas fourth grade classes for sponsoring the annual school food drive and the school

families for their plentiful donations. We are also grateful for the food we received from the Peoria Notre Dame food drive, as well as the unending donations of food that fill our parish collection box each week. Because of your prayers and donations of food and funds, you have helped us to provide 1,129 carts of food in 2021, serving 3,474 individuals. Your generosity truly humbles us.

Thank you for spreading the love of our Savior to so many of our neighbors. We wish you health and happiness in the New Year!

Pre–K & Kindergarten

There is arguably no more important time in your child's education than the pre-k and kindergarten years. It's a special time for every child where they meet new friends, while developing academically and emotionally. At St. Thomas, we know just how special the early years of a child's education can be and we've created a nurturing and enriched environment designed to start your child off on the right educational path.

Academics

Our students are well prepared to move on to the next grade level and we have the test scores to prove it. Our students in every grade consistently score well above the national averages on standardized tests. They perform well because of a combination of an enriched curriculum, outstanding teachers and personalized attention to student learning.

Religion

Our Catholic faith is at the foundation of all that we do. Christian values are woven into daily school life, with religious instruction as a regular part of the curriculum and the ongoing development of your child's faith at the forefront of our teaching. We foster an environment where our child's faith comes to life.

We Teach Truth, Build Character and Inspire Service.
Remember, at our school everyone matters and counts.

Activities

We know that learning happens in many ways and that skills developed outside of the classroom are just as important as those developed within. We offer a wealth of extracurricular activities to help your child reach his or her fullest potential. From robotics to basketball, students are able to develop their social, physical and mental skills through peer interaction.

Community

Fun. Friendly. Nurturing.

These are words students and families alike use to describe the atmosphere and spirit of St. Thomas School. Our sense of community is prevalent in everything we do, and is truly one of the distinguishing aspects of your child's learning environment.

School Window Update

Many of us remember, some not so fondly, those heavy, drafty school windows. Now is the time to replace them.

We have received more than \$125,000 in donations thus far, but this is still short of the matching gift of \$160,000. Please prayerfully consider if you could be one of those who is able to help us reach that additional \$35,000 needed to match.

Thank you for your generosity.
