January 23, 2022  
Third Sunday in Ordinary Time

## From Our Pastor

On the anniversary of Roe v. Wade, the Catholic Church unites with other Churches throughout the country to pray for a greater respect for the dignity of human life. Please join in your prayerful support for the protection of the unborn. Saturday, January 22, was also a day of penance in which we are asked by the Conference of Bishops to offer some voluntary sacrifice for the protection of the right to life.

The gathering for the March for Life in Washington D.C. was limited by the spread of COVID, so not everyone who intended to travel to the Capitol was able to do so. However, we can all be united in our prayer for this cause.

It is important that everyone know that the Lord's mercy is readily available, especially for those who have dealt with abortion in the past. The Diocese of Peoria offers resources, including Project Rachel, to help those who are grieving to find healing. Rather than condemning, Jesus said, *Let he who is without sin cast the first stone.* And then, offering forgiveness, *Nor do I condemn you. Go and sin no more* (See John 8:7-11).

In a week, we also have the celebration of Catholic Schools' Week with many activities planned for the school children. Our parish should also celebrate because St. Thomas School is supported by our Parish and is a testament to our shared commitment to educating our children. A sign of this commitment has already been shown in the generous donations from parishioners to replace worn out school windows, as well as the generous contributions to our Sponsor A Student program and Empower Illinois.

Please encourage those you know among your neighbors, friends, and family to visit St. Thomas School and consider enrolling their children. I know how dedicated our staff is and I am confident in the superior quality of education that our school provides. Each of you can help be an ambassador for our school and parish.

On behalf of our students, school families, faculty, and staff, I thank you for your ongoing support of Catholic Education!

— Msgr. Gray

### Pre–K & Kindergarten

There is arguably no more important time in your child's education than the pre-k and kindergarten years. It's a special time for every child where they meet new friends, while developing academically and emotionally. At St. Thomas, we know just how special the early years of a child's education can be and we've created a nurturing and enriched environment designed to start your child off on the right educational path.

### Academics

Our students are well prepared to move on to the next grade level and we have the test scores to prove it. Our students in every grade consistently score well above the national averages on standardized tests.

They perform well because of a combination of an enriched curriculum, outstanding teachers and personalized attention to student learning.

### Religion

Our Catholic faith is at the foundation of all that we do. Christian values are woven into daily school life, with religious instruction as a regular part of the curriculum and the ongoing development of your child's faith at the forefront of our teaching. We foster an environment where our child's faith comes to life.

We Teach Truth, Build Character and Inspire Service.  
Remember, at our school everyone matters and counts.

### Activities

We know that learning happens in many ways and that skills developed outside of the classroom are just as important as those developed within. We offer a wealth of extracurricular activities to help your child reach his or her fullest potential. From robotics to basketball, students are able to develop their social, physical and mental skills through peer interaction.

### Community

#### Fun. Friendly. Nurturing.

These are words students and families alike use to describe the atmosphere and spirit of St. Thomas School. Our sense of community is prevalent in everything we do, and is truly one of the distinguishing aspects of your child's learning environment.
