From Our Pastor

Congratulations to all of our second-grade students who have made their first Holy Communion. Let us all be reminded of the importance of the Eucharist in our Catholic Faith. Also note that Adoration is this Thursday at 7 PM.

Part of Fr. Achilleus' responsibilities in the United States is raising funds for the missions in his Diocese of Bukoba, Tanzania. This weekend, he will explain the work that takes place in his diocese and how we can help support them. Before he takes his next assignment, we thank Fr. Achilleus for being with us and this appeal is a way we can express our encouragement.

Next weekend, we will have the ordination of three new deacons for the Diocese of Peoria, followed by the ordination of four new priests on Memorial Day weekend. Please keep these men in your prayers as they begin their service of our Lord.

During Lent, many people found it helpful to have confessions after each of the Masses on the weekend. I thought this would be a nice practice to continue periodically. Therefore, next weekend we will offer confessions after all Masses for those who would like to take advantage of this opportunity.

Thank you for your contributions to Saint Thomas parish, and especially to the *Annual Diocesan Appeal* last year. You should know that we have exceeded our goal and the parish is now receiving rebates from the ADA that come back to our parish.

Thank you also for your support of the *Invest in Kids Act* and the tax credit contributions that many of you have made for our school children. The bulletin has information about how to contact your State legislators to express your support of this program. I encourage you to stand up for this program that has brought over \$100,000 in tuition assistance to our St. Thomas School families.

- Msgr. Gray

BUKOKA CATHOLIC DIOCESE: 2023 MISSION APPEAL

Bukoba Catholic Diocese is one of the 34 dioceses found in Tanzania, East Africa. It is located in the northwestern part of the country, on the shores of Lake Victoria. The Diocese has a population of 1.1 million and out of these, 58% are Catholics. The Diocese is made of 40 Parishes and more than 300 outstations. Almost all of the parishes and mission stations in Bukoba are in underdeveloped areas. Small scale farming is the main occupation of these poor and needy people.

Meeting the expenses of running the Diocese with its institutions is a big challenge to the diocesan authorities. Because of this, the diocesan Bishop of Bukoba, requested for participation in 2023 Missionary Appeal Plan in some of the Dioceses in America. Apart from sharing pastoral activities in the mission lands with American dioceses, through this programme, the Bishop requests for donations to support pastoral and social activities in the diocese. In 2023 Missionary Appeal, **Bukoba Diocese** requests donations/funds for three main programmes: *Meeting Costs for Priestly training* (future priests training costs), *Support to Diocesan Catholic Schools* (especially as far as safe and clean water is concerned) and *costs for mission church construction/building*.

Thanks to Peoria Catholic Diocesan authorities, but above all to Msgr. Jason Gray and St Thomas community who have allowed Bukoba Catholic Diocese to have an appeal requesting financial help in supporting construction of one of the outstation churches in the Diocese. The amount needed for the whole work is about USD \$65,500.00, (foundation, wall structures, roofing, shutters and finishing). Locally the people have started collecting building materials, site clearing and raising some funds for this project. Still it is too high for them. So, a gift of any size from you will make a huge difference. Each one of us is invited to participate in the Diocesan efforts to bring God's love and concern to the less fortunate brothers and sisters through support of this year's Mission Appeal. Please consider making your generous gift today. *Whoever gives to one of these little ones even a cup of cold water because he is a disciple, truly I say to you, he shall not lose his reward* (Mt. 10:42).

Student Summer Service Hours Available

The St. Thomas Food Pantry offers an excellent opportunity for students who need service hours! Summers offer two days each week for five students to gain service hours. On Monday and Thursday mornings, federal holidays excepted, the pantry distributes groceries to neighbors in need. Packing groceries, registering pantry guests, restocking shelves, repackaging food and assisting guests to their vehicles are tasks that students will perform while under adult supervision. An additional service opportunity occurs one Thursday per month when we receive a truckload of food products from Midwest Food Bank. On these days, five students help adult volunteers unload the truck, repackage food, rotate stock and stock shelves. Students interested in earning service hours at the food pantry this summer should email Diana Janda at dianajanda1964@gmail.com.

Opportunities Available:

Monday and Thursday mornings – 8:30 a.m. to 11:30 a.m. – June 1st through August 10th
Monthly Food Delivery – 1:30 p.m. to 3:30 p.m. –
Dates are June 15th, July 13th and August 17th

Celebrating Motherhood ~ Respect Life

The month of May is truly a celebration of motherhood. Traditionally, May has been dedicated to the Blessed Virgin Mary. It is also the time in which we honor and thank our earthly mothers for their sacrificial love. And the Feast of the Visitation on May 31 celebrates the meeting of two mothers—Mary and Elizabeth—both with a child hidden within their wombs.

Parish Nurse Notes

May is Stroke Awareness Month: Know the Facts About Stroke

Stroke is the fifth leading cause of death in the United States and the leading cause of serious long-term disability.

Anyone, including children, can have a stroke at any time. Every year, about 800,000 people in the United States have a stroke—and about 1 out of 4 of those strokes are recurrent strokes. Having one stroke means you have a greater risk of having another (or recurrent) stroke.

Several factors that are beyond your control can increase your risk for stroke. These include your age, sex, and ethnicity. But there are many unhealthy habits, such as smoking, drinking too much alcohol, and not getting enough exercise, that you can change to lower your stroke risk. Using tobacco products and having high blood pressure, high cholesterol, diabetes, or obesity can also increase your risk for stroke. However, treating these conditions can reduce your risk. Ask your doctor about preventing or treating these medical conditions.

If Stroke Happens, Act F.A.S.T.

- F**—Face drooping
Ask the person to smile. Does one side droop?
- A**—Arm weakness
Ask the person to raise both arms. Does one arm drift downward?
- S**—Speech difficulty
Ask the person to repeat a simple sentence. Are the words slurred?
- T**—Time to call 9-1-1
If the person shows any of these signs, call 9-1-1 immediately.
