Seventeenth Sunday in Ordinary Time

What is your  
pearl?

## From Our Pastor

As we get closer to a new school year, it is time to begin our OCIA catechism classes for those who are interested in learning more about the Catholic Church. OCIA is the Order of Christian Initiation of Adults. In the past, we have met on Wednesday evenings beginning after Labor Day and have continued up to the Easter Vigil. During these classes, we have walked through all the important parts of the Catechism centered on the Creed, the Sacraments, the Ten Commandments, and the Our Father.

We will do the same things this year with one change. I will prepare some questions for each session based on the catechism so we can have some discussion at the start of each class. I will print the same questions in the bulletin, which you can consider a score-yourself test of your knowledge of the Catholic Faith. I hope you will follow along and see if you can score 100 throughout the year.

An important part of beginning the new OCIA class is encouraging people to attend. You may know members of your family, those in your circle of friends, or associates from your work who should consider joining the Catholic Church. Please reach out to them and encourage them to attend.

Those who are interested can contact the parish office in advance or email the parish office with their name and contact information. You can also simply attend the first session on Wednesday, September 6, at 7 PM in the Parish Hall.

As part of our ongoing Eucharistic devotion, I also encourage you to make time for the Blessed Sacrament by coming to First Friday adoration.

- Msgr. Gray

## When you go to the poor, you encounter Jesus

I am a fairly new SVDP volunteer and I am frequently telling others how much I love the work. And I do! But, I was challenged to look at it a bit differently. I could spend a long time telling you the amazing stories of the many ways we have seen our efforts make a big difference in people's lives. We are able to provide financial and food assistance only because of your continued generosity. I often wish that each of you could experience what I do when I meet a neighbor in need.

But, the challenge was to tell you what this work means to me...how this program has impacted my life. I will try to convey feelings that are a bit hard to express. As I age, a few things seem more clear to me. So for me, Jesus' message in the gospels comes down to love one another.

First, we receive the request. And I am ALWAYS made aware of how blessed my life is even on what I think is a bad day. Then I get a chance to meet someone who might never otherwise come into my life. And I feel that is a privilege. I want to be part of something positive in that person's life. That makes me feel good, but more importantly, I feel as if I am doing what Jesus asks of us. There are so many problems in the world that I cannot change. But, when I can show respect and empathy to a neighbor in need and sense their relief...even when all I have to offer is listening...then I feel that I have had a spiritual encounter. I am a better person for it.

I often wish you all could come on visits with us so you can experience this special kind of joy. Now there's an idea...come and volunteer with us!

Grateful for the opportunity,  
Colleen Matarelli

## Parents & Religious Education

The involvement of parents is always important in the religious instruction of their children. When students are learning about the faith, they naturally look to their families for an example of the faith that they are being taught. For this reason, we want to support our parents in living the faith more effectively, so our students learn to put into practice what they are taught in the classroom.

This year, we plan to involve parents and families more explicitly in the formation of our 2nd grade students preparing for First Communion and our 8th grade students preparing for Confirmation. St. Thomas will be providing our families with materials that they can use at home to supplement the instruction that they will receive in the grade school or CCD programs. I look forward to this new program that will help both our students and their families in the practice of the faith.

For our Confirmation students, we will adapt our service hour program. In the past, the students have had to meet an external requirement imposed on them to serve a certain number of hours. Sometimes, this leads to some students scrambling to fulfill a requirement at the last minute, without necessarily taking to heart the valuable lesson of serving our brothers and sisters. This year, we will ask the students to design their own service program and to monitor their own fidelity to their commitment. We will also ask the students to choose their own spiritual goals in preparation for Confirmation, based on their own commitment to pray, attend Mass, study, and serve others. I hope this will be a positive and fruitful experience for all our students preparing to receive the gifts of the Holy Spirit.

## St. Thomas - Food Pantry

Help Desperately Needed!

The food pantry is seeing an increase in the number of families seeking food assistance over the past few months. As a result, we are critically low on shelf-stable items that we routinely offer our visitors on a monthly basis. Items needed are: macaroni and cheese, rice, cereal, crackers, boxed potato/pasta sides, pasta sauce and dried pasta, canned meats, peanut butter and jelly, canned fruits and vegetables, canned soups, Hamburger Helper, pancake mix and syrup and canned beans. Please consider providing some of these items for our neighbors in need. If you are unable to shop, just give a donation, and we will do the shopping.

Any help you can give is greatly appreciated...thank you so much!
