Twenty-Fourth Sunday in Ordinary Time

From Our Pastor

This week will mark the anniversary of the ordination of Archbishop Fulton Sheen as a priest. On September 20, 1919, he was ordained a priest at St. Mary Cathedral, in Peoria. Let us remember the impact that his example of holiness has had on the Church especially in our Diocese.

Our monthly Holy Hour will be this Thursday at 7:00 p.m. and is another opportunity to follow Sheen's good example of prayer before the Blessed Sacrament.

At the end of this week, we will begin the novena to St. Therese for our vocation program. Please pray for Vocations and ask the Little Flower to guide those with vocations to the Church.

Later this fall we will have a Light of the World retreat hosted here at St. Thomas. More information will be forthcoming. For now, I suggest you mark your calendars for October 20-23 to make time for this parish retreat and renewal.

Finally, if you have not turned in your pledge card for the Annual Diocesan Appeal, I encourage you to do so. Cards can be mailed directly to the Diocese of Peoria, though you are also welcome to drop them off at the parish or in the collection and we will send them in for you. Contributions can also be made online by visiting the diocesan website.

- Msgr. Gray

Why do we bring gifts up during the Offertory?

The parts of the Mass often have both a historical and a theological meaning.

Historically, early Christians would bring bread and wine from home to be consecrated at mass. They were offering the *work of human hands* back to the Father. This symbolized cooperation between God and humans in the creation of the bread and wine.

Theologically, we are offering ourselves on the altar, united with the sacrifice of Jesus. Why? The short answer is sin. We've all damaged our relationship with God and the Mass is the process of Christ reuniting us with the Father. St. Paul tells us that, *For our sake he made him to be sin who did not know sin, so that we might become the righteousness of God in him.* (2 Corinthians 5:21) Jesus sacrificed himself, opening the gates of heaven to us by his death and resurrection. We remember this by offering ourselves and our prayers to God the Father at Mass.

We would like to invite our parishioners and school families to begin bringing the gifts at the 10:00 am Sunday Masses this month! Please scan the QR code to sign up or call the parish office.

Pray with the Pope September 2023 For people living on the margins

We pray for those persons living on the margins of society, in inhumane life conditions; may they not be overlooked by institutions and never considered of lesser importance.

Ready to Bring the Love of Jesus

2023 ANNUAL DIOCESAN APPEAL

Did you know that ADA supports Discipleship?

Do you worry about our young people losing their faith in college? Newman Centers are places where they can get to know Jesus on a deeper level and accept His invitation to become His disciples. Among our priests and religious are many who found their vocation while at

a Newman Center. Other students experience Catholic Faith for the first time in one of our five Newman Centers and decide to become Catholic. Your ADA gift has no small impact – it helps shape our future generations.

Give online at www.cdop.org/ada.

Anima Christi

Soul of Christ, sanctify me.
Body of Christ, save me.
Blood of Christ, inebriate me.
Water from the side of Christ, wash me.
Passion of Christ, strengthen me.
O good Jesus, hear me.
Within your wounds, hide me.
Let me never be separated from you.
From the evil enemy, defend me.
In the hour of my death, call me,
And bid me come to you,
That with your saints I may praise you
Forever and ever. Amen.

□ Parish Nurse Notes □

The end of summer vacations and beginning of a new school year brings along with it the opportunity to consider learning something new or new volunteer options. I have had some parishioners express interest in adult/pediatric CPR training/review, and others in forming a Caregiver Support Group. Please let me know if you are interested in either of these, I will be sharing more information as soon as it's available. Additionally, I'm looking for RN's, or other qualified healthcare providers, to assist in monthly Blood Pressure checks on Donut Sundays (generally, first weekend of months in the school year).

SEPTEMBER IS HEALTHY AGING MONTH:

A time to celebrate life and the positive aspects of growing older.

Healthy Aging Month is observed during the month of September. This observance raises awareness on the physical and mental health of older adults and serves as a reminder that as we age, our minds and bodies change. It is important to maintain a healthy lifestyle to help deal with those changes and to help prevent some common age-related health problems.

You can take a proactive approach to aging by adopting healthy habits and behaviors, managing existing health conditions, and staying connected to your community. Consider practicing the tips below to help you stay active and independent as you age:

Eat and Drink Healthy. Dietary needs may change as you age. A healthy eating plan includes nutritious foods that are low in cholesterol, fat, and artificial ingredients. You should also drink plenty of liquids, especially water, to stay hydrated. Eat nutrient dense foods like fruits, vegetables, whole grains, lean meats, and low-fat dairy products.

Move More, Sit Less. Staying active can help you prevent, delay, and manage chronic diseases, improve balance and stamina, reduce the risk of falling, and improve brain health. Aim for moderate physical activity, like walking, at least 150 minutes a week (22-30 minutes a day) and muscle strengthening activities, like carrying groceries, at least 2 days a week. Always consult with your doctor before starting a new exercise regimen.

Get Regular Checkups. It is vital to go to the doctor for regular health screenings for healthy aging. Regular checkups help doctors catch chronic diseases early and can help patients reduce risk factors for disease, such as high blood pressure and cholesterol levels. In some cases, regular checkups have been linked to improved quality of life and feelings of wellness.

Be Aware of Changes in Brain Health. Everyone's brain changes as they age, but dementia is not a normal part of aging. There are a variety of healthy behaviors that can be done to reduce age-related cognitive decline or manage dementia. Engaging in social and intellectually stimulating activities, getting enough sleep, and not smoking are a few actions you can take. See your doctor if you have questions about memory or brain health.

Season of Creation Reflection –Week Three

With the help of God's grace, let us adopt lifestyles marked by less waste and unnecessary consumption, especially where the processes of production are toxic and unsustainable. Let us be as mindful as we can about our habits and economic decisions so that all can thrive – our fellow men and women wherever they may be, and future generations as well. Let us cooperate in God's ongoing creation through positive choices; using resources with moderation and a joyful sobriety, disposing and recycling waste, and making greater use of available products and services that are environmentally and socially responsible. --Pope Francis, Message of the Holy Father Francis for the celebration of the World Day of Prayer for the Care of Creation (1September 2023)
