From Our Pastor

I am thankful for many volunteers who have done so much at St. Thomas:

- Thank you to *Denise Tascher* who was recognized by the Diocesan Council for Catholic Women for her help in coordinating OCIA, Music Ministry, and in decorating for many parish events.
- Thank you to the women who have completed this year's program, *Women of the Word*. This study of the women in Scripture was appreciated by many of the women of the parish.
- Thank you to the men who coordinate *That Man Is You*. Their dedication to coming so early on Friday mornings to run this program for the men of the parish is heroic.
- Thank you to the *Franciscan Sisters of St. John the Baptist* for their care for the altar and the sanctuary. The floral decorations add to the joy and the solemnity of our Masses.

We pray for our second grade students preparing to make their First Communion on the last Saturday of April. We look forward to their initiation into receiving the Eucharist for the first time.

Our Msgr. Watson Memorial Mass will take place this year on Wednesday, May 8 at 5:30 p.m. Everyone is welcome to attend, but we extend a special invitation to those who have lost loved ones during the past year. We will read the list of parish members and their relatives who have passed.

We are happy to make sure our parishioners are able to receive Communion at Mass, especially those who find it difficult to come forward. Depending on the number of ministers, we will bring the Eucharist to you either during the normal Communion time or immediately afterwards. If you are not able to come forward, I recommend you alert one of our ushers. Also, at the end of Communion, I generally pause for a moment to see if anyone was missed. If you did not receive Communion, please get our attention by raising your hand. We will make sure that you are able to receive.

- Msgr. Gray

Millions of Monicas is a new ministry in the Diocese of Peoria for women to pray together for their children who have left the faith. This is not a support group or a self-help group. We simply meet once a month and pray together for each other's loved ones in front of the Blessed Sacrament.

Join with other mothers, grandmothers, step-mothers, aunts, Godmothers, etc., as we pray to grow in holiness and humility, and for our children's faithful return to the Catholic Church.

The **St. Thomas Food Pantry** offers an excellent opportunity for students needing service hours! On Monday and Thursday mornings, federal holidays excepted, the pantry distributes groceries to our neighbors in need. Packing groceries, registering pantry guests, restocking shelves, repackaging food and assisting guests to their vehicles are tasks that students will perform while under adult supervision. An additional service opportunity occurs one Thursday per month when we receive a truckload of food products from Midwest Food Bank. On these days, students help adult volunteers unload the truck, repackage food, rotate stock and stock shelves. Students interested in earning service hours at the food pantry this summer should contact Diana Janda at dianajanda1964@gmail.com.

Opportunities Available:

Monday and Thursday mornings – 8:30 a.m. to 11:30 a.m.
June 3rd through August 15th

Monthly Food Delivery – 1:30 p.m. to 3:30 p.m.
Dates are Thursdays June 13th, July 11th and August 15th

Let us pray that the dignity and worth of women be recognized in every culture, and for an end to the discrimination they face in various parts of the world.

Sponsor A Student Fund

We would like to thank our parishioners for your ongoing support of St. Thomas parish and school. We are blessed to have so many generous people who give of their time and talent as well as their financial support.

Our school families have been helped greatly by donations to our *Sponsor A Student Fund*. In recent years our families have also received significant financial support from Empower Illinois through the Invest in Kids Act. Unfortunately the Illinois State Legislature failed to renew the Invest in Kids program so our students will no longer have access to this source of financial support. Beginning with the 24/25 school year the need for financial assistance from our *Sponsor A Student Fund* will increase greatly as we will need to replace the assistance which had been provided through the Invest in Kids program.

Please support our school families by donating to our Sponsor A Student Fund. You may use the yellow envelope which is provided with your regular church envelope to direct your donation to our scholarship fund. Donations can also be made electronically and through our parish website. You will need to note that the donation is for the Sponsor A Student Fund if you do not use the yellow envelope. If you have any questions please contact the parish office.

We deeply appreciate your support of Catholic education at St. Thomas School.

Thank you
to all the wonderful
Women of the Word
in our parish!

You invited us to share with you the testimonies of our vocation, but what we experienced at your gathering was a much greater witness of love, faith, generosity and hospitality that radiated from each of you. St. Thomas Church is truly blessed because of you all. Our prayers and gratitude are always with you.

Taking Care of Yourself: Tips for Caregivers

Taking care of yourself is one of the most important things you can do as a caregiver. Caregiving is not easy — not for the caregiver and not for the person receiving care. It requires sacrifices and adjustments for everyone. Often, family caregivers must juggle work and family life to make time for these new responsibilities.

Caring for an older adult can also be rewarding. Many people find that caregiving provides a sense of fulfillment and that they like feeling useful and needed. But the ongoing demands of taking care of someone else can strain even the most resilient person. That's why it's so important for you to take care of yourself. This article can help you find ways to look out for your own well-being so you can be there for others.

How do you know if you need help? Caregivers do a lot for others. Because there is so much on their plate, many caregivers don't spend time taking care of themselves. For example, they are less likely than others to get preventive health services, like annual checkups, and to practice regular self-care. As a result, they tend to have a higher risk of physical and mental health issues, sleep problems, and chronic conditions such as high blood pressure. They are even at an increased risk of premature death.

Does this sound like you? Please pick up one of the packets in the kiosk for more care for the caregiver information or contact our Parish Nurse, Mary Clare Geraghty at parishnurse@stthomas-church.net.
