SEASON ONE

MASTERPIECE of CREATION

To truly understand the way the Lord views femininity is to live as one who is fully alive. In a world that often speaks in clichés and labels, God desires to reveal who He is through a greater understanding of who we are. This season will not only unpack the wealth of celebration of what Saint John Paul II called "*The Feminine Genius*" but will also give real advice on how to combat the mental, emotional, and spiritual challenges we, as women, face every day.
