Solemnity of The Most Holy Trinity

From Our Pastor

Happy Father's Day to all our fathers and grandfathers today. When a man becomes a father, he takes on a new responsibility of love and care for his children. This duty is a small reflection of God the Father who loves and cares for us all. May the example of good St. Joseph who cared for the Holy Family be an inspiration to all fathers of a life of virtue and courage.

Today we also honor the Trinity. The Father, the Son and the Holy Spirit are three persons in one Godhead. This divine mystery has been revealed to us by the Son and we ask Our Lord to help us appreciate the love of God more and more. In the persons of the Trinity, may you be greatly blessed today.

Next weekend is Corpus Christi, a day for traditional Eucharistic processions. As in years past, we will have a procession with the Blessed Sacrament after the 10:00 a.m. Mass. The procession will take us around the campus as we honor the Eucharist and give witness to our belief in the real presence of Jesus. We have some young men assisting with the canopy for the procession and all parishioners are invited to take part. In particular, I invite the First Communion students to attend and wear your First Communion outfits. You will be especially invited to lead the procession next weekend.

Finally, I have been informed that Steve Harms has taken a job that will not allow him to run our music program. I come back to the parish and ask if you or anyone you know is a musician who would like to assist with accompanying our music at St. Thomas. Please pass the word and let me know of any interest you may discover.

- Msgr. Gray

Respect Life Prayer & Action

When a woman finds herself unexpectedly pregnant, the news can come as a shock and bring overwhelming feelings of fear, shame, anxiety, and doubt. Without a strong support system, what should be joyful news, can instead be experienced as a crisis. Often, a woman facing an unexpected pregnancy may not know where she can turn for help and assistance. *Pregnancy Help Centers* respond to this urgent need every day, embracing expectant mothers with empathy and love.

Act (choose one):

Offer this [Prayer for Radical Solidarity](#) | [Respect Life](#) in thanksgiving for all pregnancy center staff and volunteers.

Skip your morning coffee from your favorite café or a lunch outing this week. Donate what you would usually spend on these small treats to your local pregnancy center instead.

Offer some other sacrifice or prayer that you feel called to do for this month's intention.

Notes from our Parish Nurse
Symptoms of Alzheimer's

The most common early symptom of Alzheimer's is difficulty remembering newly learned information.

Just like the rest of our bodies, our brains change as we age. Most of us eventually notice some slowed thinking and occasional problems with remembering certain things. However, serious memory loss, confusion and other major changes in the way our minds work may be a sign that brain cells are failing.

Alzheimer's changes typically begin in the part of the brain that affects learning. As Alzheimer's advances through the brain it leads to increasingly severe symptoms, including disorientation, mood and behavior changes; deepening confusion about events, time and place; unfounded suspicions about family, friends and professional caregivers; more serious memory loss and behavior changes; and difficulty speaking, swallowing and walking. People with memory loss or other possible signs of Alzheimer's may find it hard to recognize they have a problem. Signs of dementia may be more obvious to family members or friends. Anyone experiencing dementia-like symptoms should see a doctor as soon as possible. Earlier diagnosis and intervention methods are improving dramatically, and treatment options and sources of support can improve quality of life.

If you need assistance finding a doctor with experience evaluating memory problems, Peoria Office of Illinois Chapter of Alzheimer's Association can help at (309) 681-1100.
